EVAQEX00P-TFWHT/PL

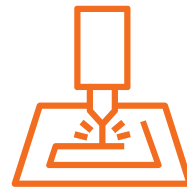

## EXIT BUTTONS FOR ANY PROJECT

**Quick and easy to install**

**Tested to 500,000 cycles**

**Deep laser etched text**

Whether you prefer a tactile button-press approach or a contactless touch-free solution, we offer a diverse range of high-quality exit buttons, specifically designed to **perfectly fit Australian wall boxes**.

Our products are constructed from durable stainless steel with a thickness of 1.7mm, known for its high corrosion resistance.

## NAMING CONVENTION
